August Closing

From time immemorial the Library has closed each year for the month of August. From the point of view of staffing and in other ways this arrangement has had its advantages, but readers have sometimes found closing for a whole month inconvenient. The experiment is therefore to be tried this year of closing only for the first fortnight in August, and the Library will re-open on Monday, 15th August. During July and the rest of August the Library will be somewhat short-staffed, but we feel sure we can count on the indulgence of readers for any slight delays.

Brief Biographies

For many years the Rev. Charles E. Surman, for a long time the secretary of the Congregational Historical Society, has worked on a card index file of Dissenting (mainly Congregational) biographical information. By his generosity (and labour), and with the assistance of the Friends of the Library, a copy of this invaluable work of reference is being installed at the Library. So far the letter "N" has been reached, but it is hoped that before long the whole index down to the letter "Z" will be completed. Mr. Surman's extensive collection of congregational histories is also to be deposited in the Library and it is hoped at a later date to issue a catalogue of these and of all the similar histories already in the Library.

Crabb Robinson Letters

A list of the Library's *Occasional Papers* is printed on a later page. A further addition to the series is now in the hands of the printer. It will be an index of the many correspondents, some of them of considerable importance, excluded from the index provided by Professor Edith J. Morley in her *Henry Crabb Robinson on books and their writers*, 1938, because they were not literary figures.

Periodicals

The following periodicals have been added to the list of those taken regularly in the Library :

Bulletin signalétique, 3e partie : Philosophie, Sciences humaines.

New Testament Abstracts. Weston, U.S.A.

Religious and Theological Abstracts. Youngstown, Ohio.

Seventeenth-Century News. New York.

Theology Today. Princeton, N.J.

Microfilms of Manuscripts

With the assistance of the Friends of Dr. Williams's Library a number of microfilms have been added to the Library collection and may be borrowed by readers engaged on research. Recent additions are as follows :

1. Miscellaneous Baxter " Treaties " in 8vo and 4to. *This completes the micro-filming of Richard Baxter papers in the Library.*
2. Nottingham Classis Minutes. *From the original at the High Pavement Chapel, Nottingham.*
3. Correspondence of George Benson (1699-1762). *From the originals in the Unitarian College, Manchester.*
4. Lewin's Mead Meeting Records. Four volumes of records covering the years 1690-1784. *From the originals in the City Archives Department, Bristol.*

Gifts to the Library

The Library has received a number of welcome gifts. Of more than usual interest was the gift by the Rev. J. F. Mozley, author of *Coverdale and his Bibles* and other works, of a 1528 edition of the Bible translated into Latin by Santes Pagninus. The Library already possessed the 1542 reprint of this work by Michael Servetus, whose marginal notes and other modifications gave offence in certain quarters. The differences can now be conveniently compared.

We are grateful also to the Wallace Alfred Smith Charity for a renewed gift to the funds of the Library.

To the following the Library is indebted for the gifts of one or more books.

Besides the Library, the benefactions include grants of money to poor ministers, and to widows of ministers ; grants of books to ministers ; bursaries to undergraduate students for the Protestant Dissenting Ministry at the University of Glasgow ; post-graduate divinity scholarships for students for the Protestant Dissenting Ministry in approved Theological Colleges.

The Trustees also give bursaries and scholarships to be held at the Presbyterian College, Carmarthen. They contribute to the maintenance of the Dr. Williams' School for Girls (Secondary) at Dolgelley, North Wales. For information as to the institutions named in this paragraph, applications should be made to them locally, and not to the Secretary of the Trust.

GRANTS TO DISSENTING MINISTERS.—Sums ranging usually from £10 to £20 not in aid of inadequate salaries, but to meet special emergencies or to help in education of children. Retired ministers are not eligible.

Part postage is also paid in suitable cases on books borrowed from the Library by

FRIENDS OF DR. WILLIAMS'S LIBRARY

Support for Dr. Williams's Library is urgently needed. Post-war costs have made it impossible to maintain an adequate library service without additional resources, and the facilities offered by the Library for research students have long stood in need of development. To meet these needs the FRIENDS OF DR. WILLIAMS'S LIBRARY was founded in 1946, and the society invites all who are interested to collaborate in its work.

Full particulars together with forms for the payment of subscriptions by Banker's Order and under Deed of Covenant may be had on application from the Secretary at the Library.
